

Malsore and Vicki (Community Play Specialist) would like to thank the Joshua Hayday Helping Hands charity for their contributions to allowing them to have fun during a stressful year. Malsore is the eldest of four children, her Father and younger sister have been very ill for the past couple of years however are both doing well currently. Malsore during this time needed some respite and fun times. With the contributions donated Vicki and Malsore visited Thorpe Park during the Summer holidays in 2012 and 2013 and Malsore competed in the British National Taekwondo Championship gaining a bronze medal.
